rid massacre. We have no doubt the Commissioner's report will be received and perused with the deepest in-terest in the United States, and will at once in Kansas Affairs.—New York, July 10th,— duce that Government to seek immediate indem. We have intelligence here, to-day, that the nity and satisfaction for the barbarous occurren ces of that fatal day. Mr. Corwin will probably proceed to Washington by the next or succeed

ing steamer.
The Aspinwall Courier states that Gen. Moseces, the assembly was quietly dissolved.

We have also the information here to-day Bogota, the necessity for suitable reparation for

> MAJOR SCOTT, Mail agent for this State, arrived this morning, from the North. He informs us that schedules and routes will shortly be prepared for the new counties, and an effort will be made to supply them with temporary mail service .- Galveston News, 15th inst.

> A GRAND SCHEME FOR PLUNDER .- We see it attated that a scheme is before Congress to do away with all appeals to the Supreme Court or the United States District Courts as to titles in California, and to make the decisions of the Board of Commissioners there final in all cases.

FRANCE.—Speculation has been rife in France and a crisis is apprehended in consequence of the great damage sustained from the recent incode tion. It has lately been made public that there way and banking companies, in which he has led them, if he wishes to retain his position among the great powers or even to be secured on his

G. W. KENDALL.—This distinguished gen ricy his active and useful career has justly won more devoted to her interests than Mr. Kendall. He has written much and ably in her favor. When her character has been assailed, no difference from what quarter, Texas has ever found in him a ready and efficient advo-

VETOES .- The following bills have been vetoed and sent to the Legislature since its commencement on July 7th-"Trinity Valley Railroad;" "Act relinquishing to the counties the State tax for the years 1856-'7;" "Jefferson and Dangerfield Railroad Company;" and "Texas Western Railroad Company." veto of the bill for the "relief of Jesse Dean" was withdrawn after receiving information in regard to the claim upon which it was founded .- Gazette.

TAt the close of Mr. Breckinridge's last term in Congress the Louisville Journal paid him the following handsome compliment. It is in very few words, but to the point:

"The Hon. J. C. Breckinridge, in a letter to his constituents, declines a re-election to Con-His great urbanity, his perfect fairness, and his powerful talent, made him one of the very foremost of its master spirits. He has a national reputation, and nobly has be won it."

TROUBLE AMONG THE JOHNS .- Mr. Littlejohn would "sacrifice all things to secure the election of Fremont.' A Boston paper thinks there will be a great sacrifice of big Johns, litsacrifice of John Fremont himself.

GRATITUDE. - A biographical sketch of Col. Fremont states that he was educated by some stated to have exceeded 200,000,000 of francs! ladies of Charleston, S. C., at their own expense. He shows his appreciation of their kindness by leading a crusade against the

LOOKING AHEAD .- It was urged in the late years, the spread of Republicanism would enable the convention to go to Richmond, Va.,

If they come here, it will be as Col. Burr CENTRAL AMERICA - the London Times came here, some years ago, to be tried for their

FREMONT'S LIKENESS .- The New York Triterritory of British Honduras as it stood in to shave till the fugitive slave law is repealed

One year ago the town of Clinton, in Iowa, or
